

K4 Student Survey about Teachers

Directions: Please read the following statement to students and then ask if they have any questions. Do not start the survey until all students are paying attention and understand what they are being asked to do.

“We are asking all HKIS to answer some questions about their teachers. Your teacher will not find out how you answer these questions. For each question, I am asking you how often things happen in your class. There are no right or wrong answers. Just circle the answer that feels the most right to you. Do you have any questions? Ok.
